Dear Cong. AJ,

Greetings from the Central Student Government! I hope this letter finds you well.

We are writing to share about our upcoming **Student Leaders Training Program (SLTP)**, which will take place on **October 8–9, 2025** at **Cavite State University – Imus Campus**, with the theme: **“PUSong BAYANI: Komunikasyon, Ugnayan, Lakas-Isip, at Pamumuno.”**

This two-day program is designed to guide our new student leaders in developing important skills such as **communication, teamwork, critical thinking, and leadership**. As we welcome a new set of leaders this Academic Year 2025–2026, we want to equip them not only with responsibilities, but also with the **heart, values, and character of true heroes**, leaders who can serve with confidence, connect with others, and represent our fellow students well, both inside and outside the campus.

We believe that **student leaders play an important role** in building an active, compassionate, and responsible campus community. Through this training, we aim to strengthen their sense of purpose and deepen their connection with their fellow students and the larger Imuseño community. In line with this, we would like to **humbly request for your support** in the form of a **monetary sponsorship** to help make this program possible. Any amount of support will go a long way in ensuring the success of this meaningful event for our student leaders.

We also believe that this initiative reflects the **values of an Imuseño**, resilience, unity, and service to others with the heart of heroes. With your support, we can inspire the next generation of youth leaders who will carry these same values forward.

Thank you very much for your time and kind consideration. We hope for the opportunity to partner with our Congressman in shaping young leaders who will not only serve our university but also contribute to the growth and development of our beloved City of Imus.

With you in service.
