**To: THE GARTH EVENTS**

Good day! We hope everything is going well with your team

I'm John Jefferson De Leon, the Vice President - External of Central Student Government of Cavite State University-Imus Campus, and we're reaching out to **rebuild the partnership and collaboration** between your company and the **Central Student Government (CSG)**.

We are also writing to inform you about our upcoming **Student Leaders Training Program (SLTP)** on **October 1–2, 2025** in **Cavite State University - Imus Campus**, with the theme: **"PUSong BAYANI: Komunikasyon, Ugnayan, Lakas-Isip, at Pamumuno"**. Through this two-day program, we hope to guide our student leaders in growing their **communication skills, teamwork, critical thinking, and leadership**, qualities that will help them lead with confidence, connect with others, to serve and represent fellow students and to be good and effective student leaders inside and outside the campus. As we welcome a new set of student leaders this Academic Year 2025-2026, we believe it is important to equip them not just with responsibilities, but with the heart and the values of true heroes. We believe that student leaders play a big role in shaping a more active, compassionate, and responsible campus environment. Through this program, we want to help them grow with the right mindset, deeper purpose, and stronger connection with fellow students and the community. In line with this, we would like to humbly ask for your **support and sponsorship for this meaningful activity**. Any help would be a great help in making the program possible and successful.

We truly admire Coffee Bunny for being a **well-loved brand by us students**. Aside from your products being a part of our events, we also look up to your strong support for schools, and in the community. We're hoping to build a good connection with you, where we can work together on different activities throughout our term, such as **leadership training, student events, and other programs that will benefit our fellow students**. With your support, we believe we can make these projects more meaningful, fun, and impactful for the student body and our community. We commit ourselves to empowering the student masses through your company, that is also in line with our vision, delivering delicious snacks and drinks that make events more meaningful. With the support of the Central Student Government, **we aim to promote your products by setting booths inside campus whenever there are events conducted by the CSG inside the campus**. If your team is open to the partnership, we'd be happy to send more details.

Thank you so much for your time, and we look forward to hearing from you soon!

Warm regards,

**JOHN JEFFERSON M. DE LEON**  
CSG VP - External
