Ms. Charissa Manaig-Mariano
BPI Agency Banking
South Luzon Cluster Manager

Dear Ms. Manaig-Mariano,

Warm greetings from the Central Student Government of Cavite State University Imus-Campus!

We would like to extend our heartfelt appreciation for BPI's continued support, especially in promoting financial literacy among our students. Your efforts have made a lasting impact, and we are truly grateful for the partnership we've built.

In line with our shared commitment to empowering students through financial education, we are excited to collaborate once again to promote BPI's #SaveUp program. **We would like to extend our agreed date proposal** that would be between **November 3-6, 2025**.

To help drive engagement and reward student participation, will still be as follows:

- ₱3,000 worth of office supplies for the Central Student Government - Imus Campus for 300 individuals who opened their account through the council.
- ₱5,000 worth of office supplies for the Central Student Government - Imus Campus for 500 individuals who open their account through the council..
- ₱10,000 worth of office supplies for the Central Student Government - Imus Campus for 1,000 individuals who open their account through the council.

However, this time, instead of using the **CSG Office** we would like to request that you set-up at the **entrance of the old building** so that you can reach more students, which will be beneficial for the both of us.

We understand that this sponsorship is contingent upon reaching our 1,000-individual target. Should we meet this milestone, we would be honored to receive BPI's support. If not, we fully understand and respect your decision regarding the sponsorship.

We believe this initiative will not only deepen financial awareness among our students but also strengthen BPI's presence and impact within the youth sector. Together, we can inspire students to take meaningful steps toward financial independence.

Thank you for considering our proposal. We would be happy to meet at your convenience to discuss this further and explore ways to ensure the success of this collaboration.

Warm regards,

NATHANIEL R. GIL
CSG President
