OIC, Office of the Campus Administrator
This Campus

Dear Dr. Desingaño,

Greetings!

I hope this message finds you well.

On behalf of the Central Student Government, we would like to seek your approval for the production of **Cavite State University-Imus Campus I.D Lanyard** as part of our initiative to provide every student a sense of new beginnings with the lanyard being the symbol. The start of the production of the said product will start upon approval of this proposal.

Purchasing these lanyards is completely voluntary; students are encouraged to buy them if they wish, but there is no requirement or obligation to do so. The funds from this income-generating project (IGP) will be used to support other activities and projects for this academic year. These lanyards are being offered for sale at their original price of **₱100.00 (One Hundred Pesos)** as part of an Income-Generating Project (IGP);

Upon approval, we will move forward with the production plan of the project which includes communicating with producers, and selling the said product to the student body.

We are humbly seeking your approval and support as we work on this project. With that being said, we look forward to your positive response and continued support.

Best regards,

NATHANIEL R. GIL
CSG President
